Welcome to St Paschal Library, the Provincial Library of the Franciscan Order of Friars Minor, Holy Spirit Province, Australia. This is the main resource centre for Franciscan studies within Australia.

St Paschal Library is also the main campus library for Yarra Theological Union (YTU), one of the Colleges which comprise the University of Divinity <http://www.divinity.edu.au/>.

In addition to the Franciscan Collection, St Paschal Library houses two further collections. In 1988 the Divine Word Missionaries (SVD) amalgamated their Missiology collection into St Paschal Library; and in 1995 the YTU collection was similarly integrated. As the combined purpose of these organisations is to educate Catholic clergy and laity, these inclusions certainly enrich the total collection.
