

Now you can access St Paschal Library Catalogue through your mobile phone by following these steps:

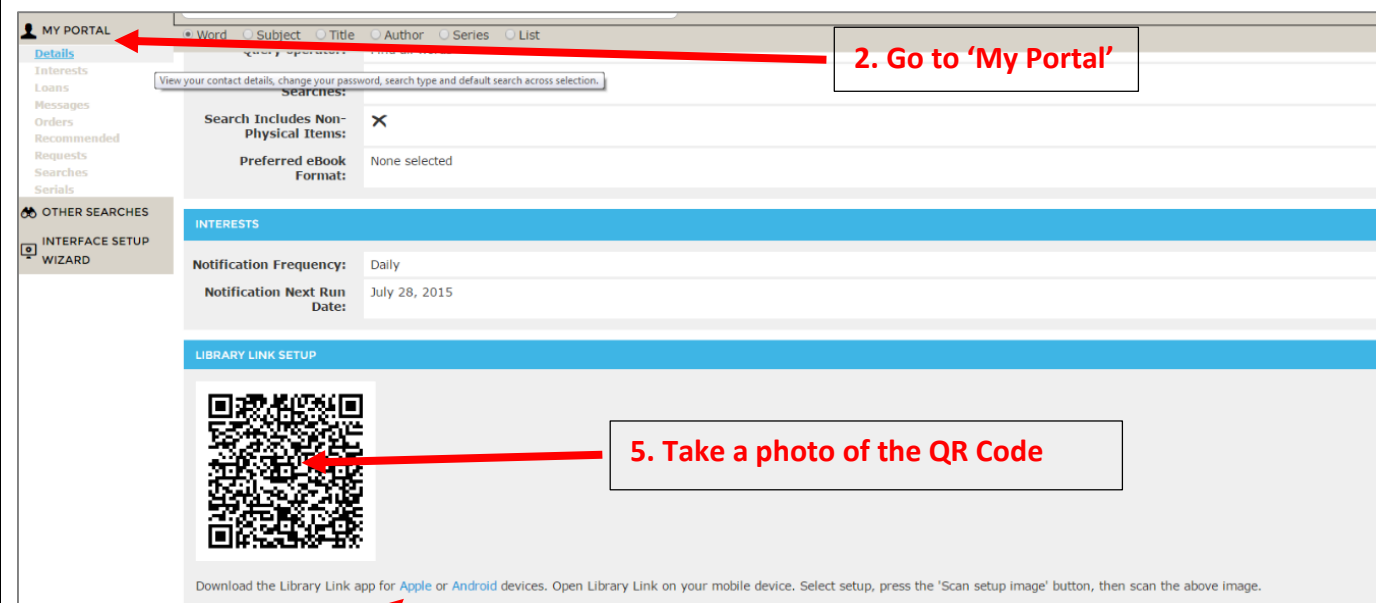

1. From a mobile app store, download the Library Link app.

Download the apps for free below by scanning the relevant QR code with a barcode reader (not compatible with Red Laser) on your phone.

Android **iPhone**

2. Open St Paschal Library's Catalogue on a computer, and go to 'My portal', go to 'Details'. Log in to your Library account.
3. Scroll down to QR Code on the computer.
4. Once downloaded, open Library Link – enter the 'Setup' area on the app.
5. Press 'Scan Setup Image' – Take a photo of the Catalogue QR Code with your phone.
6. Setup is now complete.

2. Go to 'My Portal'

5. Take a photo of the QR Code

Download the Library Link app for [Apple](#) or [Android](#) devices. Open Library Link on your mobile device. Select setup, press the 'Scan setup image' button, then scan the above image.

You can also download the Library Link App for Apple or Android devices by following the links shown in the 'Library Link Setup' area located below the QR Code.
